***ANY VARIATIONS PLEASE NOTE ON BACK OF FORM**

To the best of my knowledge the above sire and dam comply to the NDRC breeding guidelines and do not possess any of the faults listed below:-

- Hip Dysplasia
- Entropion/Ectropion
- Yellow eyes or eyes of a different colour
- Incomplete dentition
- Overshot, Undershot jaw or Wry mouth
- Overly suspicious, aggressive, nervous or timid demeanour
- Exceptionally long or curly coat
- Any other base colour other than black
- Complete absence of tan markings
- White markings

I/we certify that the above statement is completely accurate to the best of my/our knowledge.
I/we undertake to inform the Breed Recorder, if applicable, weekly of the number of puppies available for sale, until the age of 8 weeks. At 8 weeks the litter will be taken off the books unless the Breeder notifies the Breed Recorder fortnightly.
